

2012 IP & Technology Legal Summer Internship-110102330
JPMorgan Chase & Co.

Summer Intern –

A summer internship opportunity exists in the office of the General Counsel focusing on Intellectual Property and Technology Law for JPMorgan Chase & Co. Potential educational projects are as follows:

- Social Network Design and Population - designing and populating group collaboration site; experience with SharePoint a plus
- Intellectual Property Education - creating short online interactive courses on the basics of various intellectual property topics; education or creative experience a plus
- License Agreement Review and Revision - review of standard intellectual property license agreements to understand pertinent issues and suggest revisions

Our program is intended to provide students with experience that furthers his/her legal education and is academically oriented for the student's benefit. Each intern will be assigned a mentor and will have many opportunities to participate in educational events and personally meet with subject matter experts, both within and outside of JPMorgan Chase & Co.

At the conclusion of the program, interns will be required to both present to management on a legal topic of his/her choice and submit a written essay describing his/her educational experience with the program.

The program begins June 1 and will end eight weeks later on July 27.

Interns are not entitled to receive any offers of employment at the conclusion of the program.

Qualifications

College or law student in good standing. Interest or experience with patent, IP or Technology law is required.

Location: New York, NY or Wilmington, DE

Deadline: Friday, February 3, 2012
